

Attachments for Lull Telehandler

Lull Telehandler Attachments - Lull telehandlers have been supplying precision load placement ever since 1959. Whether the work entails landing loads on scaffoldings, transferring loads or positioning heavy steel, using a Lull telehandler will help make the work go faster and easier. These units are available along with the patented Stabil-Trak stability system in order to ensure operator confidence.

The Lull horizontal load placement system supplies 80 inches of boom travel for precision placement capabilities. A wide range of optional accessories is accessible for Lull telehandlers to be able to help finish whichever task.
