

## **Lull Telehandler Part**

Lull Telehandler Parts - Telehandlers by Lull have been supplying load placement precision ever since nineteen fifty nine. The Lull telehandler can help make the task faster and easier, whether the task involves positioning heavy steel, landing loads on scaffolding or transferring loads. These units are available with the patented Stabil-Trak stability system so as to ensure operator confidence.

The horizontal placement system by Lull can supply 80 inches of boom travel for precision placement capabilities. There are likewise several optional Lull attachments for their telehandlers to be able to help do whichever work.
