Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines continually offers fresh design ideas as proven in their product development. They like offering items that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of staff likes new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements combined with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

The staffs at TREK and their dealer-partners are really devoted to having both technical support and parts obtainable when it is needed. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning machines working and ready day by day is top priority. The company's top of the line technology delivers dependable machinery that eventually lowers your cost of cleaning. The price, the service and the product all work as one to make them the leader in the business.
